Midcareer Course Presentation

25X1A

1. After our discussion yesterday, I called [REDACTED] and discussed the matter of extending the DDS&T presentation over one entire day. Hugh agreed to our suggestion and has set aside the entire day of 25 October for the DDS&T presentation. I have definitely committed DDS&T to the schedule. I promised to get back to [REDACTED] and give him the general details which might be as follows:

25X1A

0830	Wheels up - National Airport
0930-1200	Your presentation
1200-1300	Lunch
1300-1700	Individual presentations by Don Chamberlain, George Miller, Bob Chapman, Dave Brandwein and Chuck Briggs

The specific times and topics of the afternoon presentations can be worked out later.

2. The evening panel from about 1930-2130 will be as usual.

25X1A

3. Does this proposed schedule look OK to you? Do you wish to leave Washington later or earlier than 0830? I told [REDACTED] I would get back to him either this afternoon or tomorrow to confirm this broad outline. Would like to talk with you about two minutes either this afternoon or tomorrow on this.
